The D&D Difference:

What Makes D&D Different?

• New Rentals!

We refresh our inventory of rentals every year, this means that most of our rentals are less than one year old.

Not only are they new but we work hard to insure they stay that way. We go completely against the stereotype that rental RVs have to be beat up old RVs.

• We Deliver!

That's Right, if you are renting a camper for an event such as the Country Concert, we not only deliver the RV to your lot but we also set it up and get it all ready for you.

All you have to do is move in and enjoy the event.

• All the Extras

Unlike many other rental companies we allow you to use all the latest features of the RVs. Most notably the RVs come equipped with an electric awning.

For a small extra fee you can also have us include fresh linens and kitchenware for the full rental experience.

Think of it as a mobile hotel!
